2.1 Read a part of a website about studying abroad and complete the part of the table for Judy and answer the questions.

Judy

I'm a fashion student. I'm from Dayton, Ohio in the USA but I'm studying in Florence. I chose Italy because I love Italian fashion and because I can learn a lot about the fashion business here. And also because my mother's family is from Italy.

Classes are from 10a.m. till 2p.m. every day. Everybody on the program is Italian except me and all the classes are in Italian. My Italian is improving very quickly! The teachers at the Academy are really helpful. I'm learning a lot in the classroom, but we also go to fashion shows and last week we visited a design studio. It was brilliant.

Florence is an amazing city. It's very beautiful, there are hundreds of things you can do in your free time and people here are very friendly.

I'm glad I decided to study in Italy. I'm having a fantastic time. but I'm also learning to live in another society. And that's great.
